

3 in 1 Bluetooth FM transmitter

LISTEN TO YOUR SMARTPHONE MUSIC IN YOUR VEHICLE!

No USB port or Bluetooth in your car ? Would you like to listen to your smartphone music and manage your calls easily?

This Bluetooth FM transmitter with integrated hands free kit is made for you. Indeed, it allows you to listen to your music and enjoy your calls directly on your vehicle speakers.

Simply plug the transmitter into your cigarette lighter and switch the product to your car radio's frequency. Now you can listen to all of your favourite tunes.

You can connect your devices to the transmitter via a Bluetooth connection, via an USB drive or a jack socket. The FMCT07 has two USB outputs that delivers 3.1A max, so you can still use it while your mobile is charging. Thanks to it's control buttons, you can manage your music and take a call in one click. Besides, it offers a frequency auto-scan function and indicates the voltage of your vehicle's battery.
